

OTTO WILDE LITE

CUISINECRAFT®

CUISINE TECHNOLOGY & SOLUTION

Certificate: CE

Temperature setting :	Up to 900°C	Grid size :	32,5 x 26,5cm
Time setting :	0-99 hours	Material grid :	Cast iron
Size :	W 42,5cm x D 44,0cm x H 29,5cm		
Weight :	18 kg		
Gas type :	Propane		
Burner :	Single piezo ignition for both gas burners		

Instead of our stageless height adjustment, the Otto Lite features 6 slide in slots and comes with a stainless steel grate. Both burners are controlled simultaneously with one control knob. The slot rack is easily detachable for easy cleaning and maintenance and is dish washer proof. Our clever lever allows for easy and safe repositioning of the cast iron grate.

Stainless steel drip tray

Moving Drip tray for collecting meat juices

MATERIAL

Stainless steel

Cast iron grill grate

Solid 32,5 x 26,5cm cast iron grid
– enough room even for the biggest Porterhouse
