

WINDI MINI - Home Blast Freezer

CUISINECRAFT®

CUISINE TECHNOLOGY & SOLUTION

Certificate: CE

Voltage :	220-240V/50Hz	Capacity :	2 xGN1/2 (325x265mmx40mm)
Power :	290 Watt	Gross Capacity:	19.1 L
Yield :	90°C +3°C 3.5Kg 90mins 90°C -18°C 2.5Kg 240mins	Tray Pitch :	9.5cm
Electric Current :	3.4A	Inner Size :	330x270x214mm
Defrost mode:	Smart Defrost	Overall Size :	450x415x584mm
Condenser Dust Filter :	No	Packing Size :	570x540x650mm
Housing Material :	Iron sheet painted with different colors	N.W.(Kg) :	26 Kg
Inner Material :	Oxidized embossed aluminum	G.W.(Kg) :	30 Kg
		Temperature Range	-30°C - +5°C

Benefits

- R290 refrigerant & C5H10 heatinsulation materials which are Eco-Friendly materials.
- Hydrophilic film aluminum sheet, good heat exchange efficiency.
- Selection of capillary, efficient configuration, zero failure rate.
- Automatic evaporation draining system.
- Low working noise.
- Compact design, footprint is less than other competitors by at least 10%-25%.

MATERIAL COLOUR

MATT -
BLACK
